Your responses will be used to identify areas of good practice. They will also be used to help improve the teaching and learning experience for you and your peers. Please complete the survey thoughtfully and constructively, marking one box for each question unless indicated otherwise.

the precents a very clear fructure of the seminar. Explaining the concept with examples and diagrams is a neighbor.

Everything is

perfect

Sometimes perhaps more anecdotes of examples to help us get things twiter. Also translating some of corporate words at times too.

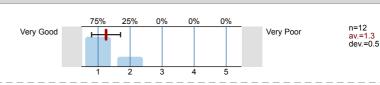

But! Very good teaching, very interesting of amazing Feedback, Good Job!

Perhaps howe more discussion on what we think obout the law if we need that for essay greenens

If I were to be very nitpicky, I noticed various spelling errors in the handouts. Otherwise, the handouts are very wreful and content is well structured and communicated.
