## PROFESSIONAL EXPERIENCE

---

**Independent Consultant** **10/2020 – Present**

Save the Children International (07/2022 – present)

- Senior technical advisor for Ukraine refugee response in Poland, focusing on monitoring, evaluation, accountability, and learning.

Save the Children International (01/2022 – 03/2022)

- Conducted annual review of \$55 million global humanitarian fund. Methodology involved desk review and interviews with 33 centre, regional, country and field staff. Communicated findings in a short report and presentation, and co-produced recommendations with department heads for continuous learning and improvement.

Options Consultancy Services Ltd (09/2021 – 11/2021)

- Led study design for operations research on primary health care financing in Nigeria, funded by the Gates Foundation.
- Quality assurance and technical support on reporting for a World Bank health project in Kenya.

Save the Children International, Iraq (10/2020 – 06/2021):

- Situational analysis of the needs of children and communities in Iraq to inform strategic planning. Conducted a desk review of secondary data and documents, and interviews with staff. Communicated findings and recommendations in a report, presentation, and thematic briefs.
- Research design for a child-focused study on Yazidis in Sinjar, Iraq.

**Director of Programme Development and Quality (PDQ) 04/2019 – 08/2020**

Save the Children International, Erbil, Iraq

- Senior management team member responsible for Save the Children's country strategy and humanitarian plans for refugee, internal displacement and COVID-19 (\$23 million portfolio).
- Led ambitious growth agenda and design of high quality, evidence-based programmes to help Iraq's most vulnerable children survive, learn and be protected. Secured new donors, multiyear funding, consortia partnerships, and expansion into new thematic and geographic areas.
- Networking and representation with donors, government, international and local partners.
- Management and coaching of nine technical staff in PDQ department.
- Improved quality of reporting, evidence and learning, including evaluations and assessments.
- Defined concept for child-focused nexus programming with programme and advocacy teams.

**Advisor – Monitoring, Evaluation, Accountability and Learning (MEAL) 06/2017 – 04/2019**

Save the Children International, London (50% international travel)

- Global MEAL Advisor responsible for overseeing and supporting MEAL policy and practice in country and regional offices, liaising closely with Save the Children's members.
- Strengthened MEAL networks and built relationships with diverse colleagues across the organisation, both remotely and through regular travel.
- Analysed key performance indicators and global results data, including total reach.
- Save the Children's representative to the Rohingya response evaluation team.
- Active member of the MEAL Humanitarian Technical Working Group and completed Save the Children's humanitarian intermediate training programme.

**West & Central Africa Regional MEAL Manager (Acting) 02/2018 – 03/2018**

Save the Children International, Senegal

- Technical support to 9 countries, including visits to Burkina Faso, Côte d'Ivoire and Sierra Leone.
- Coordinated regional review of country annual reporting.

**Technical Officer 07/2014 – 06/2017**

Options Consultancy Services Ltd, London (frequent travel)

- Technical assistance to governments, UN agencies and civil society partners in Africa, to strengthen evidence-based policy and programming for women's and children's health.
- Donors included UK Department for International Development, Gates Foundation, and UNFPA.
- Systems strengthening and emergency support during the Ebola outbreak in West Africa.
- Conducted study on adolescent reproductive health services for Sierra Leone government.
- Published peer-reviewed academic articles, blogs, and reports.

**Research Assistant (part time) 09/2014 – 11/2014**

London School of Economics and Political Science (LSE Health), London

**Communications and Fundraising Assistant 09/2012 – 02/2013**

Promoting Equality in African Schools, London

**VOLUNTARY ROLES**

---

**Mentoring Ongoing**

**Women's Network Steering Committee 2015 – 2021**

St John's College, Oxford

**Board Director 2016 – 2018**

Healthwatch Hackney, London
