BIOG

Henry Overman, BSc. (Bristol), Msc. (LSE), PhD. (LSE), AcSS is Professor of Economic Geography and Deputy Head of Department (Research) in the department of Geography and Environment at the London School of Economics. He is also the Research Director of the Centre for Economic Performance and the Director of the What Works Centre for Local Economic Growth. His current research interests include the causes and consequences of spatial disparities and the impact of urban and regional policy. His research has been published in leading economics journals (The American Economic Review, The Review of Economics Studies and The Quarterly Journal of Economics) and leading economic geography journals (Environment and Planning and Journal of Economic Geography). He continues to publish in journals from both disciplines. He has provided policy advice to, amongst others, the European Commission, Department for International Development, Department for Business, Energy and Industrial Strategy, Ministry of Housing, Communities and Local Government, Department for Transport, HM Treasury, the Manchester Independent Economic Review, the North East Independent Economic Review and Cambridgeshire County Council. He is also affiliated with the Centre for Economic Performance and the Centre for Economic Policy Research.

PROFESSIONAL EXPERIENCE

Current Positions:

Professor of Economic Geography, Dept of Geography and Environment (Aug 2009 on)

Director, What Works Centre for Local Economic Growth (Sept 2013 on)

Deputy Head of Department Research, Department of Geography and Environment, LSE (Sept 2018 on)

Research Director, Centre for Economic Performance, LSE (Jan 2019 on)

Previous Positions:

Director, Spatial Economics Research Centre (April 2008 to September 2013)

Reader, Department of Geography and Environment, LSE (Oct 2005- Aug 2009)

Lecturer, Department of Geography and Environment, LSE (Jan 1999 – Sept 2005).

Lecturer, Department of Economics (Sept 1998 – Jan 1999).

EDUCATION

04/2000 PhD Economics, London School of Economics and Political Science (LSE).

07/1995 MSc Econometrics and Mathematical Economics (with distinction), LSE.

07/1993 BSc Honours Economics with Statistics (1st class), Bristol University.

MAJOR FIELDS OF INTEREST

- Urban and regional economics
- Regional and urban policy
- Policy evaluation
