

*Applying Ethical Theories*  
**Discussion Questions**

# **I. Lord of War**

**Question 1.** What would each of the three ethical framework say about Demitri's behavior, and **why**?

**Question 2.** Which of the three ethical frameworks is Demitri appealing to in this clip?

**Question 3.** What would the other ethical frameworks say about Demitri's argument?

## **II. Returning to Medicine**

**Question 4.** Suppose you're an aid worker in Haiti, and that you encounter 3 mortally injured & unconscious patients:

- An old man who knows the location of 10 trapped victims;
- A 2-year old child;
- Your best friend.

You can **only help one**. Which should you choose? What do the different frameworks suggest?
